NOTICE TO CONTRIBUTORS

The Journal welcomes previously unpublished papers which contribute to the advancement of knowledge of parasitology, tropical medicine and other aspects of biomedical research.

Manuscripts which must be in English, should be sent to the Editor, Dr. Indra Vythilingam, by email as attachment – editor@msptm.org (MS Word is what we prefer).

Papers should be preceded by a short abstract and will normally have the following sections: brief Introduction; Materials and Methods; Results; Discussion; Acknowledgements and References. Past issues should be consulted for a suitable format.

Information should not be repeated in the text and in tables or figures. The legends to tables and to figures should be sufficiently detailed for the information to be understood without reference to the text. All figures will be printed in black and white. Authors will have to pay for colour printing. Citation of unpublished reports is not permitted.

References should be given in alphabetical order with the full title of the journal, for example.

Reprints

Reprints will not be provided as the pdf format can be downloaded from the Society’s website: http://www.msptm.org
